## THE FENZI GROUP CELEBRATES ITS 70<sup>th</sup> ANNIVERSARY AT VITRUM

The Fenzi Group, worldwide leader in chemicals for secondary flat glass processing, celebrated its first 70 years in business in a prestigious international setting on Thursday, October 27th. Dino Fenzi, the Group's President, thanked his supporters, friends, clients and co-workers from across the globe and attending the party with the following words: "You kept us going for 70 years, you taught us a lot and together we have grown considerably. We would like continue to work this hard with you also for the next 70 years."

This momentous anniversary in the glass world marks an international success story founded on a strategy that is carved into the Group's DNA and summed up as follows by Alessandro Fenzi, the Group's CEO: "The key to our success can be defined in 4 words: our **focus** on flat glass, the element that sets Fenzi apart; **internationalization**, through a process of global expansion begun more than 40 years ago, as true pioneers; **dedication**, and **continuity**".

In all sectors of the glass industry in which it has worked, Fenzi has achieved a position of leadership. Its focus on such a specialized sector has enabled the Group to stay constantly and totally in touch with the needs of this particular market, understanding its requirements, accelerating innovations and contributing to its growth.
